June 11, 2015

The St. Johns County School District is hosting a districtwide orientation on Friday, August 7 from 8 a.m. to noon. Orientation is an opportunity for students and parents to get supply lists, receive class schedules, and meet teachers.

While many schools have scheduled orientations on other dates and times, staff will be available at all schools on Friday, August 7 from 8 a.m. to noon. Parents are encouraged to call or visit the school website to verify any changes in orientation and open house dates.

It is also recommended that parents register their children for school as soon as possible. Parents may access information regarding registration requirements and their child's attendance zone by visiting the school district website at www.stjohns.k12.fl.us and clicking on the "Families" tab. Additional information on registration and school attendance zones may be obtained from the Student Services Office at 547-7797.

The purpose of early registration is to help reduce the number of students who need to be enrolled at the beginning of school and to help the district prepare for the appropriate number of teachers.

The first day of class for the 2015-2016 school year is Monday, August 10.
