Program for four-year-olds and entering kindergartners

In this fun summer program, your child will learn to read. Children learn letter recognition, beginning phonics and easy sight words. Your child will learn to read simple words and short sentences and will be excited about books and reading.

Program for entering first graders

In this fun summer program, your child will learn to read independently. Children learn phonics and sight words, build fluency and comprehension and develop a love of books and reading. Your child will be excited about reading and get off to a great start in first grade.

Program for entering second graders

In this fun summer program, your child will become a fluent, confident reader. Children build solid phonics and word-attack skills and develop reading fluency and strong comprehension. Your child will gain confidence, be excited about books and reading and get off to a great start in second grade.

Program for entering third graders

In this fun summer program, your child will become a strong, fluent reader. Children develop long-word decoding skills, reading fluency and excellent comprehension. Your child will gain confidence, develop a lifelong love of books and reading and get off to a great start in third grade.

Program for entering fourth graders

Program for entering fifth graders

In these fun and effective programs, your child will become a skilled, enthusiastic reader. Students develop strong comprehension skills in fiction, nonfiction and textbooks. They build long-word decoding skills and learn to read more fluently and rapidly. Your child will complete homework more quickly and easily, be more successful in school and develop a lifelong love of reading.

Program for entering sixth-eighth graders

Program for entering ninth-11th graders

In these effective and enjoyable programs, your son or daughter will make substantial gains in comprehension and learn to read twice as fast. Students learn the best way to take notes, study for tests and read fiction, nonfiction and textbooks. Your student will complete homework more quickly and easily, get better grades and enjoy reading more.

TEACHERS

Programs are offered by the University of North Florida Division of Continuing Education. Classes are taught by instructors from the Institute of Reading Development.

"I would like to thank you for such a positive outcome with my son James. He learned skills that have translated into wonderful grades, and more importantly, have given him more confidence in his reading abilities. He has actually asked to go to the library to pick out a book!"
