## What Does "Journey" Mean?

At our school, *Journey* means the adventure of learning and growing each year. A journey can be:

- Moving from one grade to the next
- Overcoming challenges and showing perseverance
- Building friendships and memories
- Becoming the best version of yourself through our **Character Counts!** pillars

Your art should show your journey at school and how we are ALL on this journey together.

---

## Character Counts! Questions (Must be filled out for consideration)

Please answer in your own words (short answers are fine!):

1. Which Character Counts! pillar (Trustworthiness, Respect, Responsibility, Fairness, Caring, Citizenship) inspires your journey here at Otis A. Mason the most?

\_\_\_\_\_

2. How does your picture show good character (like being kind, fair, or responsible)?

\_\_\_\_\_

3. What are you most proud of on your school journey so far?
